

INDEPENDENT AUDITOR'S REPORT

To the Members of Physicswallah Private Limited

Report on the Audit of the Standalone Financial Statements**Opinion**

We have audited the accompanying standalone financial statements of Physicswallah Private Limited ("the Company"), which comprise the Balance sheet as at March 31 2023, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. The Director's report is not made available to us as at the date of this auditor's report. We have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Companies (Accounting Standards) Rules, 2021 specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The financial statements of the Company for the year ended March 31, 2022, included in these standalone financial statements, have been audited by the predecessor auditor who expressed an unmodified opinion on those statements on September 21, 2022.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement dealt with by this Report are in agreement with the books of account;

- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Accounting Standards) Rules, 2021 specified under section 133 of the Act;
- (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls with reference to these standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
- (g) The provisions of section 197 read with Schedule V of the Act are not applicable to the Company for the year ended March 31, 2023;
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the note 47(vi) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the note 47(vii) to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

S.R. BATLIBOI & ASSOCIATES LLP

Chartered Accountants

- c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Company.
- vi. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only w.e.f. April 1, 2023, reporting under this clause is not applicable.

Annexure '1' referred to in paragraph 1 under the heading "Report on other legal and regulatory requirements" of our report of even date

Re: Physicswallah Private Limited ('the Company')

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a)(A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property plant and equipment and investment property, except for Leasehold improvement, where fixed assets register is to be updated in relation to include its quantitative details and situations thereof.
- (a)(B) The Company has maintained proper records showing full particulars of intangibles assets.
- (b) All Property, Plant and Equipment, which were planned to be verified during the year, were not physically verified by the management in the current year in accordance with a planned programme of verifying them over a period of two years. No material discrepancies were noticed on such verification.
- (c) There is no immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), held by the Company and accordingly, the requirement to report on clause 3(i)(c) of the Order is not applicable to the Company.
- (d) The Company has not revalued its Property, Plant and Equipment or intangible assets during the year ended 31 March 2023.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion the coverage and the procedure of such verification by the management is appropriate. Inventories lying with third parties have been confirmed by them as at March 31, 2023 and no discrepancies were noticed. Discrepancies of 10% or more in aggregate for each class of inventory were noticed on such physical verification and have been properly dealt with in the books of account.
- (b) The Company has not been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) (a) During the year, the Company has provided loans, to companies, firms or any other parties as follows:

Amount in Lakhs

Particulars	Loans
Aggregate amount granted/ provided during the year	
- Subsidiary	3,500
- Others (Employee Loans)	133
Balance outstanding as at balance sheet date in respect of above cases	2,501
- Subsidiary	
- Others (Employee Loans)	73

(b) During the year, the Company has not provided guarantees and security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(b) of the Order is not applicable to the Company. During the year, the investments made and the terms and conditions of the grant of all loans and advances in the nature of loans and investments to companies, firms, Limited Liability Partnerships or any other parties are not prejudicial to the Company's interest. However, in respect of loan granted to the subsidiary and one of the employee, the loan is repayable on demand and repayment schedule for principal and interest has not been stipulated in the agreement.

(c) In respect of a loan granted to the subsidiary and one of the employee, the schedule of repayment of principal and payment of interest has not been stipulated in the agreement. Hence, we are unable to make a specific comment on the regularity of repayment of principal and payment of interest in respect of such loan.

(d) There are no amount of loans granted to employees which are overdue for more than ninety days.

(e) There were no loans or advance in the nature of loan granted to companies, firms, Limited Liability Partnerships or any other parties which was fallen due during the year, that have been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

(f) As disclosed in note 42 to the financial statements, the Company has granted loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Of these following are the details of the aggregate amount of loans or advances in the nature of loans granted to promoters or related parties as defined in clause (76) of section 2 of the Companies Act, 2013:

	All Parties	Employee Loans	Related Parties
Aggregate amount of loans/ advances in nature of loans	3,525	25	3,500
- Repayable on demand			

Percentage of loans/ advances in nature of loans to the total loans	100%	1%	99%
---	------	----	-----

- (iv) Loans, investments, guarantees and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable have been complied with by the Company.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has not specified the maintenance of cost records under Section 148(1) of the Companies Act, 2013, for the products/services of the Company.
- (vii) (a) Undisputed statutory dues including service tax, cess and other statutory dues have generally been regularly deposited with the appropriate authorities though there has been a slight delay in a few cases in relation to Labour Welfare Fund Act, Professional Tax Act, Tax Deducted at source, Equalisation Levy and Goods & Service Tax. According to the information and explanations given to us and based on audit procedures performed by us, undisputed dues in respect of professional tax which was outstanding, at the year end, for a period of more than six months from the date they became payable, are as follows:

Statement of Arrears of Statutory Dues Outstanding for More than Six Months

Name of the Statute	Nature of the Dues	Amount (Rs.)	Period to which the amount relates	Due Date	Date of Payment	Remarks, if any
Professional Tax Act	Professional Tax	7,310	Apr - 2022	15-05-2022	19-06-2023	
Professional Tax Act	Professional Tax	11,048	Apr - 2022	15-05-2022		Not paid till date
Professional Tax Act	Professional Tax	7,600	May - 2022	15-06-2022	19-06-2023	
Professional Tax Act	Professional Tax	11,308	May - 2022	15-06-2022		Not paid till date
Professional Tax Act	Professional Tax	9,060	June - 2022	15-07-2022	19-06-2023	
Professional Tax Act	Professional Tax	13,624	June - 2022	15-07-2022		Not paid till date
Professional Tax Act	Professional Tax	13,530	July - 2022	15-08-2022	19-06-2023	
Professional Tax Act	Professional Tax	17,554	July - 2022	15-08-2022		Not paid till date
Professional Tax Act	Professional Tax	28,360	Aug - 2022	15-09-2022	19-06-2023	
Professional Tax Act	Professional Tax	30,505	Aug - 2022	15-09-2022		Not paid till date

- (b) There are no dues of goods and services tax, provident fund, employees' state insurance, income tax, sales-tax, service tax, customs duty, excise duty, value added tax, cess, and other statutory dues which have not been deposited on account of any dispute.
- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- (ix) (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) Term loans were applied for the purpose for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries. Hence, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.
- (x) (a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has complied with provisions of sections 42 and 62 of the Companies Act, 2013 in respect of the preferential allotment / private placement of shares fully or partially during the year. The amount raised, have been used for the purposes for which the funds were raised except for surplus funds amounting to Rs 79,120 Lakhs which were not required for immediate utilization and which have been gainfully invested in liquid investments payable on demand. The maximum amount of idle/surplus funds invested during the year was Rs 79,120 Lakhs, of which Rs 42,574 Lakhs was outstanding at the end of the year.
- (xi) (a) No fraud by the Company or no fraud on the Company has been noticed or reported during the year.
- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistleblower complaints received by the Company during the year.

- (xii) The Company is not a nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a), (b) and (c) of the Order is not applicable to the Company.
- (xiii) Transactions with the related parties are in compliance with sections 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause 3(xiii) of the Order insofar as it relates to section 177 of the Act is not applicable to the Company.
- (xiv) (a) The Company has an internal audit system commensurate with the size and nature of its business.
- (b) We were unable to obtain any of the internal audit reports of the Company under the provisions of Section 138 of the Companies Act, 2013, hence the internal audit reports have not been entirely considered by us.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- (xvi) (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- (d) There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) The Company has not incurred cash losses in the current financial year and in the immediately preceding financial year.
- (xviii) The previous statutory auditors of the Company have resigned during the year and we have taken into consideration the issues, objections or concerns raised by the outgoing auditors.
- (xix) On the basis of the financial ratios disclosed in note 46 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period

S.R. BATLIBOI & ASSOCIATES LLP

Chartered Accountants

of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) (a) In respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act (the Act), in compliance with second proviso to sub section 5 of section 135 of the Act. This matter has been disclosed in note 34(ii) to the financial statements.

(b) There are no unspent amounts in respect of ongoing projects, that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of Companies Act. This matter has been disclosed in note 34(ii) to the financial statements.

ANNEXURE '2' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF PHYSICSWALLAH PRIVATE LIMITED**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We were engaged to audit the internal financial controls with reference to standalone financial statements of Physicswallah Private Limited ("the Company") as of March 31, 2023, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by ICAI.

Because of the matter described in Disclaimer of Opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls with reference to these standalone financial statements of the Company.

Meaning of Internal Financial Controls With Reference to Standalone Financial Statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Disclaimer of Opinion

According to the information and explanation given to us, the Company has not established its internal financial control with reference to financial statements on criteria based on or considering the essential components of internal control stated in the Guidance Note issued by ICAI. Because of this reason, we are

S.R. BATLIBOI & ASSOCIATES LLP

Chartered Accountants

unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the Company had adequate internal financial controls with reference to financial statements as at March 31, 2023 and whether such internal financial controls were operating effectively. Accordingly, we do not express an opinion on Internal Financial Controls with reference to these standalone financial statements.

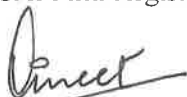

Explanatory paragraph

We also have audited, in accordance with the Standards on Auditing issued by ICAI, as specified under Section 143(10) of the Act, the financial statements of the Company, which comprise the Balance Sheet as at March 31, 2023, and the related Statement of Profit and Loss, and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and our report dated December 24, 2023 expressed unmodified opinion. We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company, and the disclaimer does not affect our opinion on the financial statements of the Company.

Standalone Statement of Cash Flows for the year ended March 31, 2023

(All amounts are in INR lacs, unless otherwise stated)

	Year ended March 31, 2023	Year ended March 31, 2022
A. Cash flow from operating activities		
Profit before tax	2,103.17	13,093.51
<i>Adjustments to reconcile profit before tax to net cash flows:</i>		
Depreciation of property, plant and equipment	3,024.71	325.82
Amortisation of intangible assets	315.66	5.66
Impairment/write off of intangible assets & goodwill	746.86	-
Employee stock compensation expense	3,816.57	-
Provision for inventory obsolescence	825.65	-
Dividend income	(13.77)	(1.24)
Liabilities written back	(9.49)	-
Loss on sale of plant, property and equipment	16.51	-
Interest income	(2,022.64)	(160.79)
Finance costs	124.33	-
Unwinding of interest on deferred consideration	15.50	-
(Profit)/loss on sale of investments	(279.71)	3.24
Operating profit before working capital changes	8,663.35	13,266.20
<i>Movement in working capital:</i>		
Decrease/(Increase) in trade receivables	(567.16)	(13.06)
Decrease/(Increase) in inventories	(2,438.87)	(520.81)
Decrease/(Increase) in loans and advances	(1,013.45)	(506.53)
Decrease/(Increase) in other assets	(4,306.02)	(5,683.09)
Increase/(Decrease) in trade payable	4,036.15	111.07
Increase/(Decrease) in provisions	596.90	(169.54)
Increase/(Decrease) in other liabilities	20,840.53	2,546.52
Cash generated from operations	25,811.43	9,030.76
Direct taxes paid (net of refunds and interest)	(2,448.91)	(3,321.66)
Net cash inflow from operating activities (A)	23,362.52	5,709.10
B. Cash flows from investing activities		
Purchase of property, plant and equipment (including capital work in progress, capital advances and payable for capital goods)	(13,916.89)	(1,457.59)
Purchase of intangible assets	(693.61)	(686.42)
Proceeds from sale of property, plant and equipment	0.43	-
Interest received	1,840.38	117.01
Acquisition of Subsidiary	(33,240.00)	(1,321.22)
Dividends received	13.77	1.24
Acquisition of Slump sale	(1,500.00)	-
Loan given to related parties	(3,500.00)	-
Repayment of loan to related parties	1,000.00	-
Purchase of investments	(73,365.00)	(2,425.11)
Proceeds from sale of investments	55,662.37	-
Maturity of Bank Deposits	1,08,012.00	-

Notes forming part of standalone financial statements for the year ended March 31, 2023

(All amounts in INR lacs, except as otherwise stated)

1 Corporate Information

Physicswallah Private Limited ("the Company") is a Company limited by shares, incorporated and domiciled in India and has its registered address at plot no. B-8, tower A 101-119, Noida One, Noida Sector 62, Gautam Buddha Nagar, Dadri, Uttar Pradesh. The Company is principally engaged in the business of education by providing online and offline coachings and study material for test preparation of various competitive exams such as NEET, JEE, etc.

These standalone financial statements were approved for issue in accordance with a resolution of the directors on December 24, 2023.

2 Significant accounting policies

2.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013 read together with the Companies (Accounting Standards) Rules, 2021 and presentation requirements of Division I of Schedule III to the Companies Act, 2013. The financial statements have been prepared on an accrual basis and under the historical cost convention, except for the following:

- certain derivative instruments measured at fair value
- assets acquired and liabilities assumed including deferred consideration on acquisition of business measured at fair value
- defined benefit plans – plan assets measured at fair value
- share-based payments measured at fair value

These standalone financial statements have been prepared on a going concern basis.

The standalone financial statements are presented in Indian Rupee (INR/₹). All the values are rounded off to the nearest lacs, except when otherwise indicated.

2.2 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- expected to be realized or intended to be sold or consumed in normal operating cycle;
- held primarily for the purpose of trading;
- expected to be realized within twelve months after the reporting period; or
- cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- expected to be settled in normal operating cycle;
- held primarily for the purpose of trading;
- due to be settled within twelve months after the reporting period; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and deferred tax liabilities are classified as non-current assets and non-current liabilities respectively.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

2.3 Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

Physicswallah Private Limited

CIN: U80900UP2020PTC129223

Notes forming part of standalone financial statements for the year ended March 31, 2023

(All amounts in INR lacs, except as otherwise stated)

2.4 Property, plant and equipment

Property, plant and equipment, capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

Depreciation on property, plant and equipment is calculated on a written down value over the useful lives of assets estimated by the management, supported by independent assessment by professionals, as below:

Asset category	Useful lives estimated by the management (years)	Useful lives as per schedule II of the Act (years)
Leasehold improvement	3 to 5	NA
Office equipment	3 to 5	5
Motor car	8	8
Furniture and fixtures	10	10
Computer & peripherals	3	3

The useful lives have been determined based on managements' judgement which in certain instances are different from those specified by Schedule II to the Act, in order to reflect the actual usage of the assets. The assets residual values and useful life are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

(This space has been intentionally left blank)

Physicswallah Private Limited**CIN: U80900UP2020PTC129223****Notes forming part of standalone financial statements for the year ended March 31, 2023***(All amounts in INR lacs, except as otherwise stated)***2.5 Intangible assets**

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in an amalgamation in the nature of purchase is their fair value as at the date of amalgamation. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets are amortized on a straight line basis over the estimated useful economic life. The Company uses a rebuttable presumption that the useful life of an intangible asset will not exceed ten years from the date when the asset is available for use. If the persuasive evidence exists to the affect that useful life of an intangible asset exceeds ten years, the Company amortizes the intangible asset over the best estimate of its useful life. All intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates.

Intangible assets with indefinite useful lives are not amortized, but are tested for impairment annually. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

An intangible asset is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising upon derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss, when the asset is derecognised.

A summary of the policies applied to the Company's intangible assets is, as follows:

Intangible assets	Useful lives	Amortisation method used	Internally generated or acquired
Brand	10 years	Straight Line	Acquired
Trademarks	10 years	Straight Line	Acquired
Software	3 years	Straight Line	Acquired
Content	2-3 years	Straight Line	Acquired
Intellectual Property Rights	3-20 years	Straight Line	Acquired
Mobile Application	3 years	Straight Line	Acquired
Goodwill (on amalgamation)	5 years	Straight Line	Acquired

(This space has been intentionally left blank)

Physicswallah Private Limited

CIN: U80900UP2020PTC129223

Notes forming part of standalone financial statements for the year ended March 31, 2023

(All amounts in INR lacs, except as otherwise stated)

2.6 Impairment of property, plant and equipments and intangible assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Company's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years. For longer periods, a long term growth rate is calculated and applied to project future cash flows after the fifth year.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss.

(This space has been intentionally left blank)

Physicswallah Private Limited

Notes forming part of standalone financial statements for the year ended March 31, 2023

(All amounts in INR lacs, except as otherwise stated)

2.7 Inventories

Traded goods are valued at lower of cost and net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a FIFO basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

2.8 Revenue recognition

Revenue is primarily derived from educational products and services provided through the online and offline platforms in India. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of products

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The Company collects Goods and Service Tax (GST) and other taxes on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

Income from services

Revenues from coaching services are recognized pro-rata over the period of the contract as and when services are rendered. The Company collects GST on behalf of the government and, therefore, it is not an economic benefit flowing to the Company. Hence, it is excluded from revenue. Income from youtube services are recognised on accrual basis. Content library and registration fees are recognized upfront as substantial performance obligation is met.

Other income

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable. Dividend income is recognised when the right to receive dividend is established.

2.9 Leases

The Company as a lessee

Finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in the statement of profit and loss. Lease management fees, legal charges and other initial direct costs of lease are capitalized.

A leased asset is depreciated on a straight-line basis over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain the ownership by the end of the lease term, the capitalized asset is depreciated on a straight-line basis over the shorter of the estimated useful life of the asset or the lease term.

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Notes forming part of standalone financial statements for the year ended March 31, 2023

(All amounts in INR lacs, except as otherwise stated)

2.10 Employee Benefits

Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current liabilities in the standalone balance sheet.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. The Company presents the accumulated leave liability as a current liability in the balance sheet, since it does not have an unconditional right to defer its settlement for twelve months after the reporting date.

Post-employment obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans - gratuity, and
- (b) defined contribution plans such as provident fund.

Gratuity: Defined benefits obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by an independent actuary using the projected unit credit method.

Defined contribution plan

Retirement benefit in the form of provident fund scheme are the defined contribution plans. The Company has no obligation, other than the contribution payable. The Company recognizes contribution payable to these schemes as an expenditure, when an employee renders the related service.

2.11 Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss. Investments are measured on FIFO basis.

(This space has been intentionally left blank)

Physicswallah Private Limited

CIN: U80900UP2020PTC129223

Notes forming part of standalone financial statements for the year ended March 31, 2023

(All amounts in INR lacs, except as otherwise stated)

2.12 Investment in subsidiaries

Investment in subsidiaries are usually carried at cost. However, when there is a decline, other than temporary, in the value of a long term investment, the carrying amount is reduced to recognise the decline. Any reduction in the carrying amount and any reversals of such reductions should be charged or credited to the profit and loss statement. The cost of an investment should include acquisition charges such as brokerage, fees and duties.

If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost should be the fair value of the securities issued (which in appropriate cases may be indicated by the issue price as determined by statutory authorities). The fair value may not necessarily be equal to the nominal or par value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition cost of the investment should be determined by reference to the fair value of the asset given up. Alternatively, the acquisition cost of the investment may be determined with reference to the fair value of the investment acquired if it is more clearly evident.

On disposal of an investment, the difference between the carrying amount and the disposal proceeds, net of expenses, is recognised in the profit and loss statement.

2.13 Employee share based payment

Employees (including senior executives) of the Company receive remuneration in the form of share-based payments, whereby employees render services as consideration for equity instruments (equity-settled transactions). The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model.

That cost is recognised, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the year in which the performance and/or service conditions are fulfilled in employee benefits expense. The cumulative expense recognised for equity settled transactions at each reporting date until the vesting date reflects the extent to which the vesting year has expired and the Company's best estimate of the number of equity instruments that will ultimately vest. The expense or credit in the consolidated statement of profit and loss for a year represents the movement in cumulative expense recognised as at the beginning and end of that year and is recognised in employee benefits expense.

Service and non-market performance conditions are not taken into account when determining the grant date fair value of awards, but the likelihood of the conditions being met is assessed as part of the Company's best estimate of the number of equity instruments that will ultimately vest. Market performance conditions are reflected within the grant date fair value. Any other conditions attached to an award, but without an associated service requirement, are considered to be non-vesting conditions. Non-vesting conditions are reflected in the fair value of an award and lead to an immediate expensing of an award unless there are also service and/or performance conditions. No expense is recognised for awards that do not ultimately vest because non-market performance and/or service conditions have not been met. Where awards include a market or non-vesting condition, the transactions are treated as vested irrespective of whether the market or non-vesting condition is satisfied, provided that all other performance and/or service conditions are satisfied.

When the terms of an equity-settled award are modified, the minimum expense recognised is the expense had the terms had not been modified, if the original terms of the award are met. An additional expense is recognised for any modification that increases the total fair value of the share-based payment transaction or is otherwise beneficial to the employee as measured at the date of modification. The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

Group-wide share-based payment arrangements:

For grants by the parent to employees of a subsidiary, the Company recognise the share based payment reserve with a corresponding debit to investment in subsidiary.

(All amounts in INR lacs, except as otherwise stated)

2.14 Income taxes

Income tax

Income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

2.15 Segment reporting

In view of Accounting Standard 17 "Segment Reporting" issued by the Institute of Chartered Accountants of India the disclosure in respect of segment information for the year ended March 31, 2023 is not applicable to the Company as the Company does not deal in varied products/services and hence not exposed to different risks and returns.

2.16 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

2.17 Provisions

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

2.18 Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

CIN: U80900UP2020PTC129223

Notes forming part of standalone financial statements for the year ended March 31, 2023

(All amounts in INR lacs, except as otherwise stated)

2.19 Cash and cash equivalents

Cash and cash equivalents in the balance sheet and cash flow statement comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

2.20 Prior period items

The nature and amount of prior period items are separately disclosed in the statement of profit and loss in a manner that their impact on the current profit or loss can be perceived. Errors in the preparation of the financial statements of one or more prior periods can be discovered in the current period. Errors can occur as a result of mathematical mistakes, mistakes in applying accounting policies, misinterpretation of facts, or oversight.

2.21 Foreign currency translation

Foreign currency transactions and balances

(i) Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

(iii) Exchange differences

The Company accounts for exchange differences arising on translation/ settlement of foreign currency monetary items as below:

1. Exchange differences arising on a monetary item that, in substance, forms part of the Company's net investment in a non-integral foreign operation is accumulated in the foreign currency translation reserve until the disposal of the net investment. On the disposal of such net investment, the cumulative amount of the exchange differences which have been deferred and which relate to that investment is recognized as income or as expenses in the same period in which the gain or loss on disposal is recognized.
2. Exchange differences arising on long-term foreign currency monetary items related to acquisition of a property, plant and equipment and intangible assets are capitalized and depreciated over the remaining useful life of the asset.
3. Exchange differences arising on other long-term foreign currency monetary items are accumulated in the "Foreign Currency Monetary Item Translation Difference Account" and amortized over the remaining life of the concerned monetary item.
4. All other exchange differences are recognized as income or as expenses in the period in which they arise.

For the purpose of 2 and 3 above, the Company treats a foreign monetary item as "long-term foreign currency monetary item", if it has a term of 12 months or more at the date of its origination. In accordance with MCA circular dated 09 August 2012, exchange differences for this purpose, are total differences arising on long-term foreign currency monetary items for the period. In other words, the Company does not differentiate between exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost and other exchange difference.

2.22 Derivatives activities

A derivative is a financial instrument or other contract with all three of the following characteristics:

- its value changes in response to the change in a specified interest rate, financial instrument price, commodity price, foreign exchange rate, index of prices or rates, credit rating or credit index, or other variable, provided in the case of a non-financial variable that the variable is not specific to a party to the contract (sometimes called the "underlying");
- it requires no initial net investment or an initial investment that is smaller than would be required for other types of contracts that would be expected to have a similar response to changes in market factors; and
- it is settled at a future date.

The Company accounts for derivatives in the following manner:

- All derivative contracts should be recognised on the balance sheet and measured at fair value.
- Subsequently, the Company remeasures its derivatives at each reporting date on fair value with changes in fair value being recognised in the statement of profit and loss.

Notes forming part of standalone financial statements for the year ended March 31, 2023

(All amounts in INR lacs, except as otherwise stated)

2.23 Acquisition accounting:

Acquisition of business on slump sale basis is accounted for in accordance with purchase method of accounting as prescribed in Accounting Standard 14 as follows:

- (i) The assets and liabilities of the transferor Company are recognized at their fair values at the date of acquisition. The reserves, whether capital or revenue, of the transferor Company, except statutory reserves, are not recognized.
- (ii) Any excess consideration over the value of the net assets of the transferor Company acquired is recognized as goodwill. If the amount of the consideration is lower than the value of the net assets acquired, the difference is treated as capital reserve.
- (iii) The goodwill arising on amalgamation should be amortised to income on a systematic basis over its useful life. The amortisation period should not exceed five years unless a somewhat longer period can be justified. Accordingly, goodwill arising on acquisition of business on slump sale basis is amortized.

(b) Terms of conversion/redemption of Series A CCPS

During the year ended March 31, 2023, the company issued 26,66,654 compulsorily convertible cumulative preference (CCPS) of INR 10 each fully paid-up at a premium of INR 1,115 per share. These CCPS carry cumulative dividend @ 0.001% p.a. The company declares and pays dividends in Indian Rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing annual general meeting. The holders of the Series A CCPS shall be entitled to receive notice of and vote on all matters that are submitted to the vote of the Shareholders (including the holders of Equity Shares). Each Series A CCPS shall entitle the holder to the number of votes equal to the number of whole or fractional equity shares into which such Series A CCPS could then be converted.

Optional Conversion: On the conversion date, the Series A CCPS shall be converted into equity shares at the conversion price determined as provided in agreement. The Series A Conversion Price initially shall be INR 1,125 (Rupees One Thousand One Hundred Twenty Five only) and each Series A CCPS converting into 1 (one) equity Share, and shall be subject to adjustment from time to time as provided in the agreement.

Mandatory conversion: All of the Series A CCPS shall mandatorily be converted in such manner and into such number of fully paid Equity Shares as is determined pursuant to the relevant clauses of the agreement upon the expiry of a period of 20 (twenty) years from the date of issuance of such Series A CCPS or such other period as may be permissible under applicable Law. The Series A Conversion Price initially shall be INR 1,125 (Rupees One Thousand One Hundred Twenty Five only) and each Series A CCPS converting into 1 (one) Equity Share, and shall be subject to adjustment from time to time as provided in the agreement.

In the event of liquidation of the Company before conversion/ redemption of CCPS, the holders of CCPS will have priority over equity shares in the payment of dividend and repayment of capital.

(c) **Terms of conversion/ redemption of Series A1 CCPS**

During the year ended March 31, 2023, the Company issued 40,00,000 CCPS of INR 10 each fully paid-up at a premium of INR 1,218 per share. CCPS carry cumulative dividend @ 0.001% p.a. The Company declares and pays dividends in Indian Rupees. The dividend proposed by the board of directors is subject to the approval of the shareholders in the ensuing annual general meeting. The holders of the Series A1 CCPS shall be entitled to receive notice of and vote on all matters that are submitted to the vote of the shareholders (including the holders of Equity Shares). Each Series A1 CCPS shall entitle the holder to the number of votes equal to the number of whole or fractional equity shares into which such Series A1 CCPS could then be converted.

Optional Conversion: On the Conversion Date, the Series A1 CCPS shall be converted into equity shares at the conversion price determined as provided in agreement. The Series A1 conversion price initially shall be subscription price i.e INR 1,228 and each Series A1 CCPS converting into 1 (one) equity share, and shall be subject to adjustment from time to time as provided in the agreement.

Mandatory conversion: All of the Series A CCPS shall mandatorily be converted in such manner and into such number of fully paid equity shares as is determined pursuant to the relevant clauses of the agreement upon the expiry of a period of 20 (twenty) years from the date of issuance of such Series A1 CCPS or such other period as may be permissible under applicable Law. The Series A1 conversion price initially shall be subscription price i.e INR 1,228.00 and each Series A1 CCPS converting into 1 (one) equity Share, and shall be subject to adjustment from time to time as provided in the agreement.

In the event of liquidation of the Company before conversion/ redemption of CCPS, the holders of CCPS will have priority over equity shares in the payment of dividend and repayment of capital.

Note:

(a) During the year ended March 31, 2023, the Company acquired Entity A, for an aggregate consideration of INR 3,900.64 lacs. Pursuant to the business purchase agreement, out of the mentioned purchase consideration an amount of INR 93.18 lacs (including accrued interest) is payable on December 31, 2023 to the proprietor of entity A, representing current portion of the aggregate liability. In line with AS 14 accounting for amalgamation in the nature of purchase, the Company has recognised such deferred consideration on its fair value as on the date of acquisition using the effective interest rate method.

During the year ended March 31, 2023, the Company acquired 32.68% shares in "Entity F" for an aggregate consideration of INR 7,948.14 lacs. Pursuant to the share acquisition term agreement, out of the mentioned purchase consideration an amount of INR 372.84 lacs (including accrued interest) is payable on December 31, 2023. In line with AS 14 accounting for amalgamation in the nature of purchase, the Company has recognised such deferred consideration on its fair value as on the date of acquisition using the effective interest rate method.

During the year ended March 31, 2023, the Company acquired 100% shares in "Entity D" for an aggregate consideration of INR 2,071.04 lacs. Pursuant to the share acquisition term agreement, out of the mentioned purchase consideration an amount of INR 284.60 lacs is payable on January 31, 2023. In line with AS 14 accounting for amalgamation in the nature of purchase, the Company has recognised such deferred consideration on its fair value as on the date of acquisition using the effective interest rate method.

17 Deferred tax asset (net)

Particulars	Year ended March 31, 2023	Year ended March 31, 2022
Deferred tax assets		
Property, plant and equipment and intangible assets: Impact of difference between tax depreciation and depreciation/ amortization charged for the financial reporting	165.12	0.35
Disallowance For Provision of Expenses	170.23	1.84
Provision for Lease Equilisation Reserve	412.70	-
Provision For Inventory	207.80	-
Gross deferred tax asset	955.85	2.19
Net deferred tax assets	955.85	2.19

- (i) The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority. In addition, the Company has an intention to settle on a net basis, to realise the deferred tax assets and settle the deferred tax liabilities simultaneously.
- (ii) In assessing the realizability of deferred tax assets, management considers whether it is probable, that some portion, or all, of the deferred tax assets will be realised. The ultimate realisation of deferred tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the projected future taxable income and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable incomes over the periods in which the deferred tax assets are deductible, management believes that it is probable that the Company will be able to realise the benefits of those deductible differences in future.

(b) Transactions with related parties

Transactions with related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables for the year ended March 31, 2023 and year ended March 31, 2022. The Company has not recorded any impairment of receivables relating to amounts owed by related parties (March 31, 2022: Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates. There are no commitments with related parties.

The following table provides the total amount of transactions that have been entered into with related parties:

37 Employee benefits plan
(i) Defined contribution plans - Provident Fund, ESI and labour welfare fund

The Company makes Provident Fund, Employee State Insurance Scheme and Welfare Fund contributions which are defined contribution plans, for qualifying employees. Under the Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognised INR 885.48 lacs (March 31, 2022: INR 86.11 lacs) for Provident Fund & other fund contributions in the statement of profit and loss. The contributions payable to these plans by the Company are at rates specified in the rules of the schemes.

(ii) Defined benefit plans (unfunded):

The Company provides for gratuity for employees as per the Payment of Gratuity (Amendment) Act, 2018. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days basic salary (last drawn salary) for each completed year of service. The plan is unfunded benefit plan for qualifying employees.

(a) Statement of profit and loss
Net employee benefit expense recognized in the employee cost

	Year ended March 31, 2023	Year ended March 31, 2022
Current service cost	57.50	-
Interest cost on benefit obligation	7.97	-
Expected return on plan assets	-	-
Net actuarial (gain)/loss recognized in the year	130.83	-
Past service cost	-	57.16
Net benefit expense	196.30	57.16

(b) Balance sheet
Benefit asset/ liability

Present value of defined benefit obligation	253.46	57.16
Plan asset/ (Liability)	(253.46)	(57.16)

(c) Changes in present value of obligations

Balance as at the beginning of the year	57.16	-
Interest cost	7.97	-
Current service cost	57.50	-
Past service cost	-	57.16
Benefits paid	-	-
Actuarial gain/ (loss) on obligation	130.83	-
Balance as at the end of the year	253.46	57.16

(d) The principal assumptions used in determining gratuity for the company's plans are shown below:

Financial assumptions		
Discount rate (p.a)	7.35%	6.95%
Salary escalation (p.a)	10.00%	15.00%
Expected Rate of Return on Assets (p.a.)	N.A.	N.A.
Demographic Assumptions		
Attrition rate (p.a)		
upto 30 years	28.00%	3.50%
31-44 years	28.00%	1.00%
45 and above years	28.00%	0.50%
Retirement age (in years)	58	60
Mortality	Indian Assured Lives Mortality (2012-14)	Indian Assured Lives Mortality (2012-14)

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled. There has been significant change in expected rate of return on assets due to change in the market scenario.

Year ended March 31, 2023	Year ended March 31, 2022	Year ended March 31, 2021	Year ended March 31, 2020	Year ended March 31, 2019
------------------------------	------------------------------	------------------------------	------------------------------	------------------------------

(e) Amounts for the current and previous four periods are as follows:

Defined benefit obligation	253.46	57.16	-	-	-
Plan assets	-	-	-	-	-
Surplus/(deficit)	(253.46)	(57.16)	-	-	-
Experience adjustments on plan	-	-	-	-	-
Experience adjustments on plan assets	-	-	-	-	-

38 Employee Stock Option Plan

Employee Share Option Plan (ESOP)

The company provides share-based payment schemes to its employees. During the year ended March 31, 2023, an employee stock option plan (ESOP) was in existence. The relevant details of the scheme and the grant are as below:

Employee Share Option Plan 2022

The company provides share-based payment schemes to its employees. The relevant details of the scheme and the grant are as below:

On August 30, 2022, the board of directors approved the equity settled "Employees Stock Option Plan 2022" for issue of stock options to various employees of the Company. According to the scheme, the employees will be entitled to options, subject to their continued employment with the Company. The other relevant terms of the grant are as below:

Class of Share	Equity Shares
Vesting Pattern	Four-year vesting term and vest at the rate of 25% in the first year and 6.25% each quarter from the first quarter of the second year and become fully exercisable, subject to employee being in the employment of the Company.
	Three-year vesting term and vest at the rate of 33% in the first year and 8.3% each quarter from the first quarter of the second year and become fully exercisable, subject to employee being in the employment of the Company.
	Three and Half year vesting term and vest at the rate of 25% in the first year and 7.5% each quarter from the first quarter of the second year and become fully exercisable, subject to employee being in the employment of the Company.
	Two year vesting term and vest at the rate of 50% in the first year and 12.5% each quarter from the first quarter of the second year and become fully exercisable, subject to employee being in the employment of the Company.
	Two and Half year vesting term and vest at the rate of 40% in the first year and 10% each quarter from the first quarter of the second year and become fully exercisable, subject to employee being in the employment of the Company.
	One year vesting term and vest at the rate of 100% in the first year and become fully exercisable, subject to employee being in the employment of the Company.
Conversion ratio	10:1 (i.e., 10 Options will convert into 1 Equity Share)
Exercise Price	INR 1

Movements during the period

The following are the number and weighted average exercise prices (WAEP) of, and movements in, share options during the year:

Particulars	As at March 31, 2023		As at March 31, 2022	
	No. of options	WAEP (INR)	No. of options	WAEP (INR)
Outstanding at the beginning of the year	-	-	-	-
Granted during the year *	3,35,24,912	1.00	-	-
Forfeited/ Expired during the year	29,630	1.00	-	-
Exercised during the year	-	-	-	-
Outstanding at the end of the year	3,34,95,282	1.00	-	-
Exercisable at the end of the year	-	-	-	-

* The granted shares include "down round" clause

The weighted average fair value of the options granted during the year is INR 624.30 (March 31, 2022: Nil).

The weighted average remaining contractual life for the stock options outstanding as at March 31, 2023 is 1.52 years (March 31, 2022: Nil). The exercise prices for options outstanding at the end of the year was INR 1 (March 31, 2022: Nil)

The Black Scholes valuation model has been used for computing the weighted average fair value considering the following inputs:

Particulars	As at March 31, 2023	As at March 31, 2022
Dividend yield (%)	-	-
Expected volatility (%)	57% - 58%	-
Risk-free interest rate (%)	7.20%	-
Expected life of the options granted (in years)	2.05	-

The expense recognised for employee services received during the period is shown in the following table:

Particulars	Year ended March 31, 2023	Year ended March 31, 2022
Expense arising from employee share-based payment plan	3,816.57	-

39 Business acquisitions

(a) The Company has entered into certain business purchase agreement, details of which are as under:

(i) ONLYIAS Nothing Else (Entity A)

The Company had entered into Business purchase agreement with sole proprietor of Entity A on December 31, 2022 to acquire its coaching class business under its brand, which constitutes a business for a fair value of cash consideration of INR 1,200.00 lacs, fair value of deferred consideration of INR 256.20 lacs and fair value of share options amounting to INR 2,444.44 lacs. The Company has accounted for the amalgamation under the purchase method and recognized assets and liabilities acquired at fair value. The excess of purchase consideration paid by the company over the aggregate value of the net assets acquired has been treated as goodwill, to be amortized over a period of 5 years from the date of amalgamation.

The following table presents the purchase consideration, fair value of asset acquired and goodwill recognised on the date of acquisition (i.e. January 01, 2023).

Details of Fair value recognised on acquisition as on January 01, 2023:

Particulars	Life	Amount
Brand	10 years	1,080.06
Content	3 years	389.90
Property, Plant and Equipment	3 years	30.38
Total fair value of net assets acquired (A)		1,500.34

Fair value of purchase consideration (B) **3,900.63**

Goodwill arising on acquisition (C = B - A) **2,400.29**

Purchase consideration	Amount
Cash consideration	1,200.00
Deferred consideration	256.20
Equity options	2,444.44
Total purchase consideration	3,900.64

(ii) Top Tak Education (Entity B)

The Company had entered into Business purchase agreement proprietor of Entity B on January 01, 2023 to acquire its online coaching business for a consideration of INR 300.00 lacs. The company has accounted for the amalgamation under the purchase method and recognized assets and liabilities acquired at fair value. The excess of purchase consideration paid by the company over the aggregate value of the net assets acquired has been treated as goodwill, to be amortized over a period of 5 years from the date of amalgamation.

The following table presents the purchase consideration, fair value of asset acquired and goodwill recognised on the date of acquisition (i.e. January 01, 2023).

Details of Fair value recognised on acquisition as on January 01, 2023:

Purchase consideration	Life	Amount
Brand	10 years	177.99
Property, Plant and Equipment	3 years	10.53
Total fair value of net assets acquired (A)		188.52

Fair value of purchase consideration (B) **300.00**

Goodwill arising on acquisition (C = B - A) **111.48**

Purchase consideration	Amount
Cash consideration	300.00
Total purchase consideration	300.00

Subsequent to the balance sheet date, the Company has entered into a separation agreement to terminate the said acquisition and resultantly impaired the goodwill and intangible asset recognised, refer note 48 for details.

Physicswallah Private Limited

46 Ratios

Ratio	Numerator	Denominator	March 31, 2023	March 31, 2022	% Change	Remarks for changes in the ratio by more than 25% as compared to Previous year
Current ratio	Current Assets	Current Liabilities	2.33	1.05	121.96%	Increase is due to purchase of investments due to certain idle funds pursuant to infusion of funds via CCPS.
Debt- Equity Ratio	Total Debt	Shareholder's Equity	0.10	-	100.00%	The movement in current year is on account of term loan.
Debt Service Coverage ratio	Earnings for debt service = Net profit after taxes + Non-cash operating expenses (Depreciation & amortisation) + Finance costs	Debt service = Interest + Lease Payments + Principal Repayments	27.95	-	100.00%	The movement in current year is on account of term loan.
Return on Equity ratio	Net Profits after taxes - Preference Dividend	Average Shareholder's Equity	2.96%	175.15%	(98.31%)	Movement is due to issuance of preference share capital during the year and reduction in profits compared to last year.
Inventory Turnover ratio	Cost of goods sold or Sales	Average Inventory	3.01	3.68	(18.25%)	
Trade Receivable Turnover Ratio	Net sales = Gross sales - sales return	Average Trade Receivable	260.17	3,560.15	(92.69%)	Movement is due to increase in revenue during the year as compared to last year
Trade Payable Turnover Ratio	Net credit purchases = Gross credit purchases - purchase return	Average Trade Payables	6.23	60.24	-89.65%	Movement is due to increase in direct expense corresponding to revenue.
Net Capital Turnover Ratio	Net sales = Total sales - sales return	Working capital = Current assets - Current liabilities	1.61	69.12	(97.68%)	Movement is due to certain expenses in current year like ESOP, Inventory provision and other expenses due to business expansion.
Net Profit ratio	Net Profit	Net sales = Total sales - sales return	2.08%	42.05%	(95.05%)	The movement in current year is on account of increase in finance cost, ESOP expenses, salary expenses, high rental and offline center related expenses because of increase in operation and expansion.
Return on Capital Employed	Earnings before interest and taxes	Capital Employed = Tangible Net Worth + Total Debt + Deferred Tax Liability	2.34%	134.19%	(98.25%)	The movement in current year is on account of increase in networth during the current year.
Return on Investment	Income generated from investments	Weighted average value of investments	3.11%	1.43%	117.78%	The movement in current year is on account of sale of investments in current year.

INDEPENDENT AUDITOR'S REPORT

To the Members of Physicswallah Private Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Physicswallah Private Limited (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") comprising of the consolidated Balance sheet as at March 31 2023, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2023, their consolidated profit and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group, in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Directors report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. The Director's report is not made available to us as at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Companies (Accounting Standards) Rules, 2021 specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of their respective company(ies) and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the Companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of their respective companies.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

S.R. BATLIBOI & ASSOCIATES LLP

Chartered Accountants

- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

- a) We did not audit the financial statements and other financial information, in respect of four subsidiaries, whose financial statements include total assets of INR 13,739 Lacs as at March 31, 2023, and total revenues of INR 1,193 Lacs and net cash inflows of INR (52) Lacs for the year ended on that date. These financial statement and other financial information have been audited by other auditors, whose financial statements, other financial information and auditor's reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the report(s) of such other auditors.

One of these subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial statements of such subsidiary located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.

- b) The consolidated financial statements of the Company for the year ended March 31, 2022, included in these consolidated financial statements, have been audited by the predecessor auditor who expressed an unmodified opinion on those statements on September 21, 2022.

Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of the subsidiary companies, incorporated in India, as noted in the 'Other Matter' paragraph we give in the "Annexure 1" a statement on the matters specified in paragraphs 3(xxi) of the Order.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, as noted in the 'other matter' paragraph we report, to the extent applicable, that:
 - (a) We/the other auditors whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - (b) In our opinion, proper books of account as required by law have been kept so far as it appears from our examination of those books except as disclosed in the note 51, certain subsidiaries incorporated in India does not have server physically located in India for the daily backup of the books of account and other books and papers maintained in electronic mode or the backup of the books of account and other books and papers maintained in electronic mode has not been maintained.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Companies (Accounting Standards) Rules, 2021 specified under section 133 of the Act;
 - (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2023 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors who are appointed under Section 139 of the Act, of its subsidiary companies, none of the directors of the Group's companies, incorporated in India is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) The observation relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph (b) above.
 - (g) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary companies, incorporated in India, and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;

- (h) The provisions of section 197 read with Schedule V of the Act are not applicable to the Holding Company and, its subsidiaries incorporated in India for the year ended March 31, 2023;
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries as noted in the 'Other matter' paragraph:
- i. The Group, does not have any pending litigations which would impact its consolidated financial position;
 - ii. The Group, did not have any material foreseeable losses in long-term contracts including derivative contracts during the year ended March 31, 2023;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and, its subsidiaries incorporated in India during the year ended March 31, 2023.
 - iv.
 - a) The respective managements of the Holding Company and its subsidiaries, which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of its knowledge and belief, other than as disclosed in the note 47(vi) to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the respective Holding Company or any of such subsidiaries, ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The respective managements of the Holding Company and its subsidiaries, which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of its knowledge and belief, other than as disclosed in the note 47(vii) to the consolidated financial statements, no funds have been received by the respective Holding Company or any of such subsidiaries, from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the subsidiaries, which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.

**ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE
CONSOLIDATED FINANCIAL STATEMENTS OF PHYSICSWALLAH PRIVATE LIMITED**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the
Companies Act, 2013 ("the Act")**

We were engaged to audit the internal financial controls with reference to consolidated financial statements of Physicswallah Private Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which are companies incorporated in India, as of March 31, 2023, in conjunction with our audit of the consolidated financial statements of the Holding Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group, which are companies incorporated in India, are responsible for laying down and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to consolidated financial statements based on our audit conducted in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI.

Because of the matter described in Disclaimer of Opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls with reference to consolidated financial statements of the Holding Company.

Meaning of Internal Financial Controls With Reference to Consolidated Financial Statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

S.R. BATLIBOI & ASSOCIATES LLP

Chartered Accountants

Disclaimer of Opinion

According to the information and explanation given to us and based on the report issued by other auditors on the internal financial controls with reference to the consolidated financial statements,

- (i) the Holding Company and one of the subsidiary Company has not established its internal financial control with reference to consolidated financial statements on criteria based on or considering the essential components of internal control stated in the Guidance Note issued by the ICAI. Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the Holding Company and one of its subsidiary, which is a company incorporated in India, had adequate internal financial controls with reference to consolidated financial statements as at March 31, 2023 and whether such internal financial controls were operating effectively.
- (ii) in relation to another subsidiary of the Company, the internal financial control system with respect to maintenance of requisite inventory records relating to consumption of inventories was not operating effectively and the subsidiary did not maintain proper records showing full particulars including quantitative details and situation of the property plant and equipment and intangible assets.

Accordingly, we do not express an opinion on Internal Financial Controls with reference to consolidated financial statements.

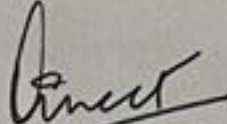

Explanatory paragraph

We also have audited, in accordance with the Standards on Auditing issued by the ICAI, as specified under Section 143(10) of the Act, the consolidated financial statements of the Holding Company, which comprise the consolidated Balance Sheet as at March 31, 2023, and the consolidated Statement of Profit and Loss, including consolidated Cash Flow Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information, and our report dated December 24, 2023 expressed unmodified opinion. We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the consolidated financial statements of the Holding Company, and the disclaimer does not affect our opinion on the consolidated financial statements of the Holding Company.

1 Corporate Information

Physicswallah Private Limited ("Physicswallah" or "the Holding Company" or "the Parent Company") is a private limited company domiciled in India and has its registered office at plot no. B-8, tower A 101-119, Noida One, Noida Sector 62, Gautam Buddha Nagar, Dadri, Uttar Pradesh, India. The Holding Company together with its subsidiaries (collectively referred as "Group") are principally engaged in the business of education by providing online and offline coachings and study material for test preparations of various competitive exams such as NEET, JEE, etc.

These consolidated financial statements were approved for issue in accordance with a resolution of the directors on December 24, 2023.

2 Significant accounting policies

2.1 Basis of preparation

The financial statements of the Group have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Group has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013 read together with the Companies (Accounting Standards) Rules, 2021 and presentation requirements of Division I of Schedule III to the Companies Act, 2013. The financial statements have been prepared on an accrual basis and under the historical cost convention, except for the following:

- certain derivative instruments measured at fair value
- assets acquired and liabilities assumed on amalgamation/acquisition in the nature of purchase measured at fair value
- defined benefit plans – plan assets measured at fair value
- share-based payments measured at fair value

These consolidated financial statements have been prepared on a going concern basis.

The consolidated financial statements are presented in Indian Rupee (INR/₹). All the values are rounded off to the nearest lacs, except when otherwise indicated.

2.2 Basis of consolidation

The Consolidated financial Statements include accounts of the Holding Company, its subsidiaries (accounted as per Accounting Standard ("AS")-21. The Consolidated financial Statements are prepared on a line-by-line basis by adding together the value of like item of assets, liabilities, income and expenses after fully eliminating intra-group balances, intra-group transactions and unrealized profit or loss on transactions between the entities in the Group, unless cost cannot be recovered.

The excess of the cost to the Holding Company of its investments in subsidiaries, over its proportionate share in equity of the investee company as at the date of acquisition is recognized in the consolidated financial statements as Goodwill on consolidation and disclosed on the face of the balance sheet. In case the cost of investment in subsidiaries is less than the proportionate share in equity of the investee company as on the date of investment, the difference is treated as Capital Reserve and shown under Reserves and Surplus. Goodwill on consolidation is not amortised. Assessment is done at each balance sheet date as to whether there is any indication that goodwill may be impaired. If any such indication exists, an estimate of the recoverable amount is made and goodwill whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use.

The Consolidated financial Statements have been prepared using uniform policies for like transactions and other events in similar circumstances and are presented to the extent possible in the same manner as the Holding Company's separate financial statements.

2.3 Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- expected to be realized or intended to be sold or consumed in normal operating cycle;
- held primarily for the purpose of trading;
- expected to be realized within twelve months after the reporting period; or
- cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- expected to be settled in normal operating cycle;
- held primarily for the purpose of trading;
- due to be settled within twelve months after the reporting period; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other liabilities as non-current.

Deferred tax assets and deferred tax liabilities are classified as non-current assets and non-current liabilities respectively.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

2.4 Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

Physicswallah Private Limited

CIN: U80900UP2020PTC129223

Notes to consolidated financial statements for the year ended March 31, 2023

(All amounts in INR lacs, except as otherwise stated)

2.5 Property, plant and equipment

Property, plant and equipment, capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment. When significant parts of property, plant and equipment are required to be replaced at intervals, the group depreciates them separately based on their specific useful lives.

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

The group identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

Depreciation on property, plant and equipment is calculated on a written down value over the useful lives of assets estimated by the management, supported by independent assessment by professionals, as below:

Asset category	Useful lives estimated by the management (years)	Useful lives as per schedule II of the Act (years)
Leasehold improvement	3 to 5	NA
Office equipments	3 to 5	5
Plant and Equipment	3 to 8	15
Motor car	8	8
Furniture and fixtures	10	10
Electrical Installation	3 to 10	3 to 10
Computer & Peripherals	3 to 6	3 to 6

The useful lives have been determined based on managements' judgement which in certain instances are different from those specified by Schedule II to the Act, in order to reflect the actual usage of the assets. The assets residual values and useful life are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

2.6 Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in an amalgamation/acquisition in the nature of purchase is their fair value as at the date of amalgamation/acquisition. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets are amortized on a straight line basis over the estimated useful economic life. The group uses a rebuttable presumption that the useful life of an intangible asset will not exceed ten years from the date when the asset is available for use. If the persuasive evidence exists to the affect that useful life of an intangible asset exceeds ten years, the group amortizes the intangible asset over the best estimate of its useful life. All intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

Intangible assets with indefinite useful lives are not amortized, but are tested for impairment annually. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

An intangible asset is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising upon derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

A summary of the policies applied to the group's intangible assets is, as follows:

Intangible assets	Useful lives	Amortisation method used	Internally generated or acquired
Brand	10 years	Straight Line	Acquired
Trademarks	10 years	Straight Line	Acquired
Software	3 years	Straight Line	Acquired
Content	2-3 years	Straight Line	Acquired
Intellectual Property Rights	3-20 years	Straight Line	Acquired
Mobile Application	3 years	Straight Line	Acquired
Non-compete fee	3 years	Straight Line	Acquired
Distribution network	3 years	Straight Line	Acquired
Goodwill (on amalgamation)	5 years	Straight Line	Acquired

(This space has been intentionally left blank)

2.7 Impairment of property, plant and equipments and intangible assets

The group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

The group bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the group's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years. For longer periods, a long term growth rate is calculated and applied to project future cash flows after the fifth year.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the group estimates the asset's or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss.

2.8 Inventories

Traded goods are valued at lower of cost and net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a FIFO basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

2.9 Revenue recognition

Revenue is primarily derived from educational products and services provided through the online and offline platforms in India. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the group and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of products

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The group collects Goods and Service Tax (GST) and other taxes on behalf of the government and, therefore, these are not economic benefits flowing to the group. Hence, they are excluded from revenue.

Income from services

Revenues from coaching services are recognized pro-rata over the period of the contract as and when services are rendered. The group collects GST on behalf of the government and, therefore, it is not an economic benefit flowing to the group. Hence, it is excluded from revenue. Income from youtube services are recognised on accrual basis. Content library and registration fees are recognized upfront as substantial performance obligation is met.

Other income

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable. Dividend income is recognised when the right to receive dividend is established.

2.10 Leases

The Group as a lessee

Finance leases, which effectively transfer to the group substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in the statement of profit and loss. Lease management fees, legal charges and other initial direct costs of lease are capitalized.

A leased asset is depreciated on a straight-line basis over the useful life of the asset. However, if there is no reasonable certainty that the group will obtain the ownership by the end of the lease term, the capitalized asset is depreciated on a straight-line basis over the shorter of the estimated useful life of the asset or the lease term.

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

(This space has been intentionally left blank)

2.11 Employee benefits

Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current liabilities in the consolidated balance sheet.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The group measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. The group presents the accumulated leave liability as a current liability in the balance sheet, since it does not have an unconditional right to defer its settlement for twelve months after the reporting date.

Post-employment obligations

The group operates the following post-employment schemes:

- (a) defined benefit plans - gratuity, and
- (b) defined contribution plans such as provident fund.

Gratuity: Defined benefits obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by an independent actuary using the projected unit credit method.

Defined contribution plan

Retirement benefit in the form of provident fund scheme are the defined contribution plans. The group has no obligation, other than the contribution payable. The group recognizes contribution payable to these schemes as an expenditure, when an employee renders the related service.

2.12 Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss. Investments are measured on FIFO basis.

2.13 Employee share based payment

Employees (including senior executives) of the group receive remuneration in the form of share-based payments, whereby employees render services as consideration for equity instruments (equity-settled transactions). The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model.

That cost is recognised, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the year in which the performance and/or service conditions are fulfilled in employee benefits expense. The cumulative expense recognised for equity settled transactions at each reporting date until the vesting date reflects the extent to which the vesting year has expired and the group's best estimate of the number of equity instruments that will ultimately vest. The expense or credit in the consolidated statement of profit and loss for a year represents the movement in cumulative expense recognised as at the beginning and end of that year and is recognised in employee benefits expense.

Service and non-market performance conditions are not taken into account when determining the grant date fair value of awards, but the likelihood of the conditions being met is assessed as part of the company's best estimate of the number of equity instruments that will ultimately vest. Market performance conditions are reflected within the grant date fair value. Any other conditions attached to an award, but without an associated service requirement, are considered to be non-vesting conditions. Non-vesting conditions are reflected in the fair value of an award and lead to an immediate expensing of an award unless there are also service and/or performance conditions. No expense is recognised for awards that do not ultimately vest because non-market performance and/or service conditions have not been met. Where awards include a market or non-vesting condition, the transactions are treated as vested irrespective of whether the market or non-vesting condition is satisfied, provided that all other performance and/or service conditions are satisfied.

When the terms of an equity-settled award are modified, the minimum expense recognised is the expense had the terms had not been modified, if the original terms of the award are met. An additional expense is recognised for any modification that increases the total fair value of the share-based payment transaction or is otherwise beneficial to the employee as measured at the date of modification. The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

(This space has been intentionally left blank)

2.14 Income taxes

Income tax

Income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where The group has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the group re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax assets are reviewed at each reporting date. The group writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

2.15 Segment reporting

In view of Accounting Standard 17 "Segment Reporting" issued by the Institute of Chartered Accountants of India the disclosure in respect of segment information for the year ended March 31, 2023 is not applicable to the group as the group does not deal in varied products/services and hence not exposed to different risks and returns.

2.16 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

2.17 Provisions

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

2.18 Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.19 Cash and cash equivalents

Cash and cash equivalents in the balance sheet and cash flow statement comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

2.20 Prior period items

The nature and amount of prior period items are separately disclosed in the statement of profit and loss in a manner that their impact on the current profit or loss can be perceived. Errors in the preparation of the financial statements of one or more prior periods can be discovered in the current period. Errors can occur as a result of mathematical mistakes, mistakes in applying accounting policies, misinterpretation of facts, or oversight.

(This space has been intentionally left blank)

2.21 Foreign currency translation

Foreign currency transactions and balances

(i) Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

(iii) Exchange differences

The group accounts for exchange differences arising on translation/ settlement of foreign currency monetary items as below:

1. Exchange differences arising on a monetary item that, in substance, forms part of the company's net investment in a non-integral foreign operation is accumulated in the foreign currency translation reserve until the disposal of the net investment. On the disposal of such net investment, the cumulative amount of the exchange differences which have been deferred and which relate to that investment is recognized as income or as expenses in the same period in which the gain or loss on disposal is recognized.

2. Exchange differences arising on long-term foreign currency monetary items related to acquisition of a property, plant and equipment and intangible assets are capitalized and depreciated over the remaining useful life of the asset.

3. Exchange differences arising on other long-term foreign currency monetary items are accumulated in the "Foreign Currency Monetary Item Translation Difference Account" and amortized over the remaining life of the concerned monetary item.

4. All other exchange differences are recognized as income or as expenses in the period in which they arise.

For the purpose of 2 and 3 above, the company treats a foreign monetary item as "long-term foreign currency monetary item", if it has a term of 12 months or more at the date of its origination. In accordance with MCA circular dated 09 August 2012, exchange differences for this purpose, are total differences arising on long-term foreign currency monetary items for the period. In other words, the company does not differentiate between exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost and other exchange difference.

For the purpose of consolidation, income and expenses are translated at average rates and the assets and liabilities are stated at closing rate. The net impact of such change is accumulated under foreign currency translation reserve.

2.22 Derivatives activities

A derivative is a financial instrument or other contract with all three of the following characteristics:

- its value changes in response to the change in a specified interest rate, financial instrument price, commodity price, foreign exchange rate, index of prices or rates, credit rating or credit index, or other variable, provided in the case of a non-financial variable that the variable is not specific to a party to the contract (sometimes called the "underlying");
- it requires no initial net investment or an initial investment that is smaller than would be required for other types of contracts that would be expected to have a similar response to changes in market factors; and
- it is settled at a future date.

The group accounts for derivatives in the following manner:

- All derivative contracts should be recognised on the balance sheet and measured at fair value.
- Subsequently, the group remeasures its derivatives at each reporting date on fair value with changes in fair value being recognised in the statement of profit and loss.

2.23 Acquisition accounting:

Acquisition of business including acquisition on slump sale basis is accounted for in accordance with purchase method of accounting as prescribed in Accounting Standard 14 as follows:

i. The assets and liabilities of the transferor Company are recognized at their fair values at the date of acquisition. The reserves, whether capital or revenue, of the transferor Company, except statutory reserves, are not recognized.

ii. Any excess consideration over the value of the net assets of the transferor Company acquired is recognized as goodwill. If the amount of the consideration is lower than the value of the net assets acquired, the difference is treated as capital reserve.

iii. The goodwill arising on amalgamation should be amortised to income on a systematic basis over its useful life. The amortisation period should not exceed five years unless a somewhat longer period can be justified. Accordingly, goodwill arising on acquisition of business on slump sale basis is amortized. Goodwill arising on consolidation is not amortized and is tested for impairment.

(a) Terms/rights attached to equity shares

During the year ended March 31, 2023, the Holding company issued 13 equity shares of INR 1 each, fully paid-up at a premium of INR 1,124 per share. As on March 31, 2023, the Holding company has only one class of equity shares having a par value of INR 1/- per share. Each holder of equity share is entitled to one vote for every share held in the meeting of equity shareholders. The Holding company declares and pays dividends in Indian Rupees. The dividend proposed by the board of directors is subject to the approval of the shareholders in the ensuing annual general meeting.

In the event of liquidation of the Holding company, the holders of equity shares will be entitled to receive remaining assets of the Holding company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

(b) Terms of conversion/ redemption of Series A CCPS

During the year ended March 31, 2023, the Holding company issued 26,66,654 compulsorily convertible cumulative preference (CCPS) of INR 10 each fully paid-up at a premium of INR 1,115 per share. These CCPS carry cumulative dividend @ 0.001% p.a. The Holding company declares and pays dividends in Indian Rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing annual general meeting. The holders of the Series A CCPS shall be entitled to receive notice of and vote on all matters that are submitted to the vote of the Shareholders (including the holders of Equity Shares). Each Series A CCPS shall entitle the holder to the number of votes equal to the number of whole or fractional equity shares into which such Series A CCPS could then be converted.

Optional Conversion: On the conversion date, the Series A CCPS shall be converted into equity shares at the conversion price determined as provided in agreement. The Series A Conversion Price initially shall be INR 1,125 (Rupees One Thousand One Hundred Twenty Five only) and each Series A CCPS converting into 1 (one) equity Share, and shall be subject to adjustment from time to time as provided in the agreement.

Mandatory conversion: All of the Series A CCPS shall mandatorily be converted in such manner and into such number of fully paid Equity Shares as is determined pursuant to the relevant clauses of the agreement upon the expiry of a period of 20 (twenty) years from the date of issuance of such Series A CCPS or such other period as may be permissible under applicable Law. The Series A Conversion Price initially shall be INR 1,125 (Rupees One Thousand One Hundred Twenty Five only) and each Series A CCPS converting into 1 (one) Equity Share, and shall be subject to adjustment from time to time as provided in the agreement.

In the event of liquidation of the Holding company before conversion/ redemption of CCPS, the holders of CCPS will have priority over equity shares in the payment of dividend and repayment of capital.

(c) Terms of conversion/ redemption of Series A1 CCPS

During the year ended March 31, 2023, the Holding company issued 40,00,000 CCPS of INR 10 each fully paid-up at a premium of INR 1,218 per share. CCPS carry cumulative dividend @ 0.001% p.a. The Holding company declares and pays dividends in Indian Rupees. The dividend proposed by the board of directors is subject to the approval of the shareholders in the ensuing annual general meeting. The holders of the Series A1 CCPS shall be entitled to receive notice of and vote on all matters that are submitted to the vote of the shareholders (including the holders of Equity Shares). Each Series A1 CCPS shall entitle the holder to the number of votes equal to the number of whole or fractional equity shares into which such Series A1 CCPS could then be converted.

Optional Conversion: On the Conversion Date, the Series A1 CCPS shall be converted into equity shares at the conversion price determined as provided in agreement. The Series A1 conversion price initially shall be subscription price i.e INR 1,228 and each Series A1 CCPS converting into 1 (one) equity share, and shall be subject to adjustment from time to time as provided in the agreement.

Mandatory conversion: All of the Series A1 CCPS shall mandatorily be converted in such manner and into such number of fully paid equity shares as is determined pursuant to the relevant clauses of the agreement upon the expiry of a period of 20 (twenty) years from the date of issuance of such Series A1 CCPS or such other period as may be permissible under applicable Law. The Series A1 conversion price initially shall be subscription price i.e INR 1,228 and each Series A1 CCPS converting into 1 (one) equity Share, and shall be subject to adjustment from time to time as provided in the agreement.

In the event of liquidation of the Holding company before conversion/ redemption of CCPS, the holders of CCPS will have priority over equity shares in the payment of dividend and repayment of capital.

(This space has been intentionally left blank)

4 Reserves and surplus

Surplus in the statement of profit and loss (refer note 4.1)
Securities premium (refer note 4.2)
Employee stock options reserve (refer note 4.3)
Closing balance

4.1 Surplus in the statement of profit and loss

Balance at the beginning of the year
Add: Profit for the year
Less: Bonus share issued during the year
Less: Adjustment on account of Consolidation
Add: Reversal of income tax
Closing balance

Nature and purpose of reserve:

Surplus in the statement of profit and loss are the profits that the Group has earned/incurred till date, less any dividends or other distributions paid to shareholders. The amount that can be distributed by the Group as dividends to its equity shareholders, is determined based on the requirements of Companies Act, 2013. Thus, the amounts reported above are not distributable in entirety.

4.2 Securities premium

Balance at the beginning of the year
Add: premium on issue of Series A CCPS (refer note 3)
Add: premium on issue of Series A1 CCPS (refer note 3)
Add: premium on issue of equity shares (refer note 3)
Less: Share issue expense
Closing balance

Nature and purpose of reserve:

Securities premium is the amount received by the group over the face value of its shares. The reserves can be utilised only for limited purposes in accordance with provisions of the Companies Act, 2013.

4.3 Employee stock options reserve

Balance at the beginning of the year
Add: Compensation options granted to employees of the group
Closing balance

Nature and purpose of reserve:

Employee stock option outstanding reserve is used to recognize the grant date fair value of equity-settled share based payment transactions with employees.

5 Share options

Share options

During the year ended March 31, 2023, the company has acquired "ONLYIAS". Pursuant to business purchase agreement, proprietor of ONLYIAS shall be given certain options of the company amounting to INR 2,444.44 lacs on the date of the transaction. Every 10 options shall be converted into one equity share upon payment of exercise price of INR 1 per option (refer note 40).

The Holding Company acquired 51% shareholding in "Utkarsh Classes & Edutech Private Limited" and pursuant to share purchase agreement, the erstwhile promoters of Utkarsh Classes & Edutech Private Limited, have been issued certain share options exercisable at any time after the acquisition date. Every 1 options shall be converted into one equity share upon payment of exercise price of INR 1 per option. The Holding Company has recognised the fair value of such options on the acquisition date amounting to INR 518.79 lacs in line with AS 14 accounting for amalgamation in the nature of purchase (refer note 40).

Notes to consolidated financial statements for the year ended March 31, 2023

(All amounts in INR lacs, except as otherwise stated)

18 Deferred tax balances

Particulars	Year ended March 31, 2023	Year ended March 31, 2022
Deferred tax liabilities		
Property, plant and equipment and intangible assets: Impact of difference between tax depreciation and depreciation/ amortization charged for the financial reporting	216.89	-
Deferred tax liabilities	216.89	-
Deferred tax assets		
Property, plant and equipment and intangible assets: Impact of difference between tax depreciation and depreciation/ amortization charged for the financial reporting	165.12	0.35
Disallowance for provision of expenses	175.51	4.81
Provision for lease equalisation reserve	412.70	-
Provision for inventory	207.80	-
Provision for doubtful debts and advances	109.78	-
Others	27.14	1.31
Deferred tax assets	1,098.05	6.47

Notes:

(i) The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority. In addition, the Company has an intention to settle on a net basis, to realise the deferred tax assets and settle the deferred tax liabilities simultaneously.

(ii) In assessing the realizability of deferred tax assets, management considers whether it is probable, that some portion, or all, of the deferred tax assets will be realised. The ultimate realisation of deferred tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the projected future taxable income and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable incomes over the periods in which the deferred tax assets are deductible, management believes that it is probable that the Company will be able to realise the benefits of those deductible differences in future.

(iii) The deferred tax assets and liabilities pertain to different companies within the Group and are not netted off.

(b) Transactions with related parties

Transactions with related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year end are unsecured and interest free and settlement occurs in cash. There have been no guarantee provided or received for any related party receivables or payables, for the year ended March 31, 2023 and year ended March 31, 2022. The Group has not recorded any impairment of receivables relating to amounts owed by related parties (March 31, 2022: Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates. There are no commitments with related parties.

The following table provides the total amount of transactions that have been entered into with related parties:

Nature of transactions	Year ended March 31, 2023	Year ended March 31, 2022
Remuneration paid		
Alakh Pandey	457.62	960.00
Rajat Pandey	31.12	31.00
Prateek Boob	180.12	112.69
Gaurav Choudhary	23.80	10.68
Sonal Mandhira	61.31	16.86
Ekta Kabra	-	0.31

Ekta Kabra	0.01	681.82

38 Employee benefits plan

(i) Defined contribution plans - Provident Fund, ESI and labour welfare fund

The group makes Provident Fund, Employee State Insurance Scheme and Welfare Fund contributions which are defined contribution plans, for qualifying employees. Under the Schemes, the group is required to contribute a specified percentage of the payroll costs to fund the benefits. The group recognised INR 896.99 lacs (March 31, 2022: INR 86.11 lacs) for Provident Fund & other fund contributions in the statement of profit and loss. The contributions payable to these plans by the group are at rates specified in the rules of the schemes.

(ii) Defined benefit plans (unfunded):

The group provides for gratuity for employees as per the Payment of Gratuity (Amendment) Act, 2018. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days basic salary (last drawn salary) for each completed year of service. The plan is unfunded benefit plan for qualifying employees.

	Year ended March 31, 2023	Year ended March 31, 2022
(a) Statement of profit and loss		
Net employee benefit expense recognized in the employee cost		
Current service cost	60.43	-
Interest cost on benefit obligation	7.97	-
Expected return on plan assets	-	-
Net actuarial (gain)/loss recognized in the year	130.83	-
Past service cost	-	57.16
Net benefit expense	199.23	57.16
(b) Balance sheet		
Benefit asset/ liability		
Present value of defined benefit obligation	516.06	57.16
Plan asset/ (Liability)	(516.06)	(57.16)
(c) Changes in present value of obligations		
Balance as at the beginning of the year	57.16	-
Interest cost	7.97	-
Current service cost	60.43	-
Past service cost	-	57.16
Benefits paid	-	-
Acquisition/divestiture	259.67	-
Actuarial gain/ (loss) on obligation	130.83	-
Balance as at the end of the year	516.06	57.16
(e) The principal assumptions used in determining gratuity for the group's plans are shown below:		
Financial assumptions		
Discount rate (p.a.)	7.20% - 7.35%	6.95%
Salary escalation (p.a.)	10% - 15%	15%
Expected Rate of Return on Assets (p.a.)	N.A.	N.A.
Demographic Assumptions		
Attrition rate (p.a.)		
upto 30 years	28%-30%	3.50%
31-44 years	28%-30%	1.00%
45 and above years	28%-30%	0.50%
Retirement age (in years)	58-60 Years	60 Years
Mortality	Indian Assured Lives Mortality (2012-14)	Indian Assured Lives Mortality (2012-14)

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled. There has been significant change in expected rate of return on assets due to change in the market scenario.

(f) Amounts for the current and previous four periods are as follows:

	Year ended March 31, 2023	Year ended March 31, 2022	Year ended March 31, 2021	Year ended March 31, 2020	Year ended March 31, 2019
Defined benefit obligation	516.06	57.16	-	-	-
Plan assets	-	-	-	-	-
Surplus / (deficit)	(516.06)	(57.16)	-	-	-
Experience adjustments on plan liabilities	-	-	-	-	-
Experience adjustments on plan assets	-	-	-	-	-

Movements during the year

The following are the number and weighted average exercise prices (WAEP) of, and movements in, share options during the year:

Particulars	As at March 31, 2023		As at March 31, 2022	
	No. of options	WAEP (INR)	No. of options	WAEP (INR)
Outstanding at the beginning of the year	-	-	-	-
Granted during the year*	3,35,24,912	1.00	-	-
Forfeited/expired during the year	29,630	1.00	-	-
Exercised during the year	-	-	-	-
Outstanding at the end of the year	3,34,95,282	1.00	-	-

*The granted shares include "down round" clause

The weighted average fair value of the options granted during the year is INR 627.71 (March 31, 2022: Nil).

The weighted average remaining contractual life for the stock options outstanding as at March 31, 2023 is 1.52 years (March 31, 2022: Nil). The range of exercise prices for options outstanding at the end of the year was INR 1 (March 31, 2022: Nil).

The Black Scholes valuation model has been used for computing the weighted average fair value considering the following inputs:

Particulars	As at March 31, 2023	As at March 31, 2022
Dividend yield (%)	-	-
Expected volatility (%)	57% - 58%	-
Risk-free interest rate (%)	7.20%	-
Expected life of the options/SARs granted (in years)	2.05	-

The expense recognised for employee services received during the year is shown in the following table:

Particulars	Year ended March 31, 2023	Year ended March 31, 2022
Expense arising from employee share-based payment plan	3,832.19	-

40 Business acquisitions

(a) The Holding company has entered into certain business purchase agreement (i.e. slump sale), details of which are as under:

(i) ONLYIAS Nothing Else Acquisition

The Holding company had entered into Business purchase agreement with sole proprietor of ONLYIAS on December 31, 2022 to acquire its coaching class business which constitutes a business for a fair value of cash consideration of INR 1,200.00 lacs, fair value of deferred consideration of INR 256.20 lacs and fair value of share options amounting to INR 2,444.44 lacs. The Holding company has accounted for the amalgamation under the purchase method and recognized assets and liabilities acquired at fair value. During the year 2022-23, the members of CSR Committee met 2 times as mentioned in Annexure I (PART B) attached below.

7. Directors' Responsibility Statement

Pursuant to the requirement under section 134(3)(c) of the Companies Act, 2013 with respect to Directors' Responsibility Statement, it is hereby confirmed that:

- (i) in the preparation of the annual accounts for the financial year ended 31st March 2023, the applicable accounting standards had been followed along with proper explanation relating to material departures and there is no material departures from the same;
- (ii) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company as at March 31, 2023 and of the profit and loss of the company for that period;
- (iii) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (iv) the directors had prepared the annual accounts on a going concern basis; and the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

8. Declaration By Independent Directors

Particulars of Declaration by Independent Director as required U/s. 134 (3)(d) of the Companies Act, 2013, is not applicable to your Company.

9. Nomination & Remuneration Committee of the Company

The provisions of Section 178 of the Companies Act 2013 and rules made thereunder pertaining to the Constitution of the Nomination & Remuneration Committee don't apply to our Company.

10. Statutory Auditor & Audit Report

Your board proposes the re-appointment of **M/s S.R. Batliboi & Associates LLP, Chartered Accountants**, having firm registration no. 101049W/E300004 as Auditors of the Company, who were appointed in EOGM held on 03/11/2022 subject to reappointment at ensuing Annual General Meeting for a term of four years from conclusion of this AGM to the conclusion of the AGM for the financial year ending 2026-27. The Company has received letter from the Auditors to the effect that their appointment, if made, would be within the prescribed limits under Section

CIN: U80900UP2020PTC129223

139 of the Companies Act, 2013 and that they are not disqualified for such appointment within the meaning of Section 141 of the Companies Act 2013.

11. Internal Auditor: During the financial year the Company has appointed M/s. M/s Grant Thornton Bharat LLP, as Internal Auditor of the Company for the financial year 2022-23, as per Section 138 of the Companies Act, 2013.

12. Comments/Qualifications If Any, in the Audit Report on Financial Statements

The notes referred to in the Auditor's Report are self-explanatory and as such they do not call for any further explanation as required under section 134 of the Companies Act, 2013 except as mentioned below.

Auditor Comments in Audit Report

1. According to the information and explanation given to us, the Company has not established its internal financial control with reference to financial statements on criteria based on or considering the essential components of internal control stated in the Guidance Note issued by ICAI. Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the Company had adequate internal financial controls with reference to financial statements as at March 31, 2023 and whether such internal financial controls were operating effectively.
2. All Property, Plant and Equipment, which were planned to be verified during the year, were not physically verified by the management in the current year in accordance with a planned program of verifying them over a period of two years.
3. We were unable to obtain any of the internal audit reports of the Company under the provisions of Section 138 of the Companies Act, 2013, hence the internal audit reports have not been entirely considered by us.

Board's Comments thereon:

1. The Board of Directors acknowledges the auditors' comments regarding the establishment of internal financial control as per the criteria outlined in the Guidance Note issued by ICAI. We are committed to addressing this concern promptly and are in the process of enhancing our internal financial control systems to align with the recommended standards. We appreciate the auditors' guidance and will ensure that corrective actions are implemented to establish and strengthen internal financial controls.
2. As this marks the initial year of significant plant and machinery acquisitions by the company. Consequently, a comprehensive verification of all assets has been undertaken during the acquisition process or upon installation, as applicable. The management has formulated a two-year plan for the physical verification of assets, taking into account the company's operational size and geographical spread. Going forward, the management is committed to conducting physical asset verifications in accordance with the established plan in the upcoming years.
3. The Company has engaged Grant Thornton Bharat LLP as its internal auditors. The Company is currently awaiting the report from the Internal auditors. It is expected to be Once received, the Company will promptly share the report with the Statutory Auditors.

CIN: U80900UP2020PTC129223

13. Fraud reported by Auditor

No Fraud has been reported by auditors under sub-section (12) of section 143 other than those which are reportable to the Central government.

14. Audit Committee of the Company

The provisions of Section 177 of the Companies Act 2013 and rules made thereunder pertaining to the Constitution of the Audit Committee don't apply to our Company.

15. Cost Records

The company is not required to maintain Cost Records as specified by the Central government under sub-section (1) of section 148 of the Companies Act, 2013, and accordingly such accounts and records are not made and maintained.

16. Particulars of loans, guarantees or investments under section 186

Particulars of the loans given, investment made, or guarantee given or security provided and the purpose for which the loan or guarantee or security is proposed to be utilized by the recipient of the loan or guarantee or security are provided in Notes to the Financial Statements. Further details of the Loans and Investments as on end of the financial year are as below.
